ENVIRONMENTAL POLICY

Teal & Mackrill Ltd. is a manufacturer and supplier of specialised surface coatings and associated products to the marine, industrial, trade and retail industries.

The Company is committed to continual improvement in its environmental performance and prevention of pollution through the implementation of an Environmental Management System based on BS EN ISO 14001: 2004. This includes a commitment to comply with environmental legislation and regulation in its operations.

To meet these objectives, this policy, targets and performance will be reviewed regularly at the Environmental Management Review Meetings.

The Company is committed to developing employee awareness of environmental issues.

This policy is available to the general public.

It will cooperate and communicate openly with interested parties towards the shared goal of environmental improvement.
